

Thank you for choosing to register your trial at SLCTR. The following step-by-step guide will walk you through the process.

How to register your clinical trial

Step 1 : Access our website at www.slctr.lk. Login to your account with your user name and password. You can create an account if you don't have one already.

Step 2 : Choose 'Create new trial' from the Trials menu

Step 3: Follow the steps 1- 5 of the application process. The help boxes to the right of the data fields will provide guidance. Please remember to fill in all data fields.
